What Is THE GREAT ESCAPE YOUTH CONFERENCE?

The Great Escape Youth Conference was the first and is the oldest continually running middle school conference in America today. Founded in 1982 with 300 young people, The Great Escape has grown to 6 different camps and conferences in Florida, Tennessee, Colorado, Wisconsin, Pennsylvania, and Mississippi.

The success of The Great Escape rests in the fact that the teams planning the events understand and know kids. Some of the goals of The Great Escape include helping students build relationships with God and with one another, having fun and helping them hear the message of Jesus in fun, creative ways!

Each week is packed full of recreation and activities as well as dynamic speakers, musicians, and other artists who understand how to communicate in real ways with young people.

The Great Escape is a tremendously fun and exciting atmosphere where students feel comfortable and loved, and where they will have the best week of their summer experiencing the love of Jesus !!!
