I understand that the deposit is non-refundable and all paperwork must be on file before I may go on the trip.

Youth signature _____ Parent signature _____

Please enclose your \$30 check payable to First Presbyterian (by January 5) with your registration.

What Is Middle School Mission Week?

Middle School Mission Week is our one action-packed week in the summer where our Middle Schoolers can come together to do mission work, have fun and enjoy spending time together!

Each day of Middle School Mission Week we will participate in one or two different mission projects at different agencies around town. These may include things like working at food pantries, soup kitchen, clothing closets, homeless shelters, community gardens or domestic abuse shelters. We will also do at least one mission project that week that is aimed at thanking a group in our community (ie: making dinner for firefighters, etc.)

Each day of Middle School Mission Week will begin with drop off at our church at 8:45 am, and end with pickup at the church at 4:30 pm. Students will need to bring their own lunch including a drink, as well as a water bottle each day.

Middle School Mission Week is a “come and go” project, where our students are together all day, but return home to sleep in the evenings. (With the exception of Thursday night.)

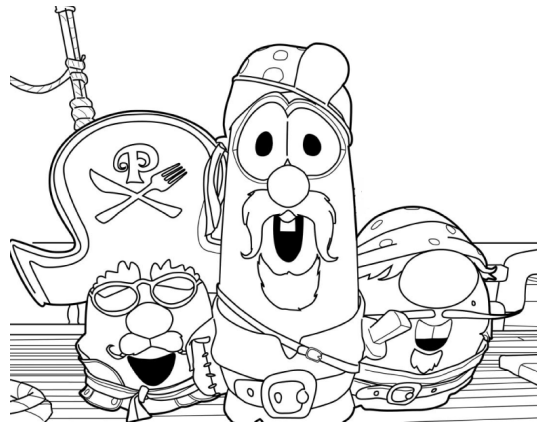

Schedule

Dates: June 4-8, 2018

Cost: \$65

Your \$65 fee covers: Mission Week t-shirt, ticket to Lost Island Waterpark, Dinner on Thursday in Waterloo and Breakfast on Friday in Waterloo. You will need some spending money for lunch on your own at the Waterpark on Friday.

Please turn in your registration form and deposit of \$30 to Heather Rey by January 5, 2018. If the cost of the trip is a problem, contact Heather Rey for scholarship information at heatherrey@fpccr.org

Information about Thursday and Friday:

On Thursday, our Middle School Mission Week team will meet at 8 am to travel to Waterloo/Cedar Falls where we will participate in one mission project there. We will spend the night at a church in Waterloo, and get up on Friday morning, and spend the day at Lost Island Waterpark in Waterloo before returning home around 5:30 pm on Friday evening.

Parent Help

We will need some parents to drive/chaperone our Middle School Mission Week projects. Parents, if you are free for even one day, we'd love to have your participation! We plan to take a few adult volunteers with our youth to do mission work in all of our locations. Specifics about our locations will be available in the early spring.

Got Questions?

If you or your parents have any questions about Middle School Mission Week, please feel free to call Heather Rey at 319-450-8765 or email Heather at heatherrey@fpccr.org.
